

Uranium Talent Search Examination(**UTSE**) for English medium schools(CBSE and ICSE) will **not be held** for 2019.

The reasons for this are

- (a) poor participation
- (b) large scale absentees from among participants due to clash with other national level exams and coachings.
- (c) non-availability of adequate resource persons in our organisation to conduct a parallel test for English medium schools alongwith Odia mediums schools, whose participation is reasonably good.

UTSE will also be discontinued for class XI(CBSE)/ 1st Yr. of +2 for poor participation.
